PRaises Dockery System

Auditor Holcomb Says It Is Working Well.

Would Have the System of Bonds Done Away With or the Amount Increased.

Thomas Holcomb, auditor of the Treasury, for the State Department, says in his annual report that the new accounting system known as the Dockery law, after another year's trial, has proved highly satisfactory. Mr. Holcomb thinks that greater safeguards should be thrown around the accounts of disbursing officers and on this important subject says: "I believe that a disbursing officer should either be required to furnish bonds to cover all advances or be relieved of giving any security at all. In the latter case he would be placed on his honor, which might be the best plan, but in the former the requirement of a security in dollars and cents would make it a purely business transaction, and this should be kept in view to the extent of requiring a security for the full sum of the dollars involved. It seems incongruous to hold the officer on his bond for a certain part of advances and his honor for the balance." "Auditors should be authorized by law to examine the office books and papers of disbursing officers, either at stated times or whenever the auditor should deem it necessary. This suggestion is not intended as a reflection upon any disbursing officer, but is suggested as a safeguard which is right and proper from a business standpoint, and would tend to prevent the repetition of losses which have occurred to the government in the past in the way mentioned."

ASSAULTED AMERICAN

Fresh Outrages Committed By Spaniards In Cuba.

SLASHED WITH A SWORD

Manager of an Estate and a Number of Ladies the Victims—Protest Has Been Filed—Weyler's New Scheme to Secure Farmers' Sugar Grinding Must Cease.

Key West, Fla., Nov. 8.—Passengers who arrived last night from Havana bring the intelligence of another outrage committed on an American citizen. Although the details are incomplete the facts are positive, since the victim has filed a protest before Vice Consul Springer and the case has been sent to Washington for instructions.

It appears that near the town of San Juan de las Vegas, the province of Spanish force patrolling the country, surprised three rebels, who tried to sneak into town. The Spaniards gave chase and the rebels fled.

In order to discover the hiding place of the fugitives the Spanish force was directed to search a forest of fifty men, who were sent in different directions. One of these parties went to the estate of a Cuban, where Frederick L. Graycraft, a native of Indiana, and only two years in Cuba, was manager.

They entered the residence, destroyed the furniture and ransacked the premises. The women present were treated in the most outrageous manner except assaulting. Graycraft protested that he was an American and showed papers.

SLASHED WITH A SWORD. This is second time the officer in command, who drew a sword and commenced slashing at Graycraft. He managed to avoid death but was wounded in the back, receiving a fearful slash that carried away part of the flesh. His forehead was also cut to the bone.

The other officer interfering saved his life. Graycraft was forced to deliver about \$100 in his possession. Meanwhile, Graycraft heard great outside and went out later and found that seventeen "padrones" had been killed. There was not one injured amongst them. All this was reported last week as a great Spanish victory.

Letters received from Puerto Principe give further details of the capture of the town of Camaguey by Calisto Garcia. The town, population 150 men, surrendered and are still prisoners, although Garcia went to Camaguey that he would deliver them. Garcia is also attending the officers of Matanzas during the past few days and have caused Gen. Weyler to dispatch six thousand of his troops stationed in the Pinar del Rio district into Matanzas. Considerable excitement exists in Havana, and also in Matanzas, fearing an attack on the latter place.

SUGAR GRINDING PROHIBITED.

It is rumored that Weyler has issued secret orders to military commanders in sugar districts prohibiting grinding except on Spanish plantations. Orders have also been issued to seize foreigners, resulting in sugar estates, to kill cattle and destroy implements and to simulate a fight in order to seize the foreign laborers.

Passengers by the steamer Olivette also report that numerous immigrants from the command of Gen. Gomez have entered the province of Matanzas during the past few days and have caused Gen. Weyler to dispatch six thousand of his troops stationed in the Pinar del Rio district into Matanzas. Considerable excitement exists in Havana, and also in Matanzas, fearing an attack on the latter place.

CUBAN SUCCESS PREDICTED.

Philadelphia, Nov. 8.—Edward Fenn of this city received a letter last week from Col. Braulio Pena of the Cuban insurgent army, who has several times been reported killed. Pena is a colonel in command of 500 cavalrymen in the district of Camaguey, under Gen. Calisto Garcia. In his letter he says: "My good friend Frank, I want you to know that I am well in this beautiful country of Cuba and can say with great pleasure that our cause is progressing without any trouble. I believe this island will be free in a very short time."

"The Spaniards are dying of exhaustion and can accomplish very little either by sea or land."

"You have sent us from America a valuable lot of arms and ammunition, including three hundred and forty cartridges, three cannon and 4,000 shells. Our army is able to prevent the carrying of any provisions or goods from the interior into the cities. We are killing the Spaniards living in the interior by thousands."

Havana, Nov. 8.—The steamer Julia arrived here today from Mexico, but brought no news of importance from the province of Puerto Principe.

A meeting of representatives of the three local political parties was held here today for the purpose of considering the advisability of consolidating for the better support of the government.

After a long discussion it was decided that the three parties—Conservatives, Liberals and Autonomists—should amalgamate and form one party to be styled the committee of national defense. The executive of the new party will be composed of three delegates from each of the old parties.

The Conservatives will be represented by the Marquis de San Carlos, by Seniors Rabell, Alvarez and Rivas, and the Autonomists by Seniors Gajon, Montoro and Cuetello.

RIOT IS IMMINENT.

Killing of Dunn in Oklahoma May Result in Bloodshed.

Perry, Okla., Nov. 8.—Parties arriving from Payne, thirty miles east of here, bring news that a riot is imminent in that town. All last night many firearms were stacked in a leading hotel, where the sheriff, Deputy Marshal Frank Canton, who killed Lee Dunn, a noted desperado, Tuesday.

Canton, from reports, killed Dunn in self-defense, but Dunn's friends and friends who live in the vicinity of Ingalls, came in heavily armed determined to kill Canton. They were met by a determined set of officers, who have so far prevented bloodshed. The Dunn brothers, of whom the dead man was leader, are charged with harboring the Dalton and Cook gangs.

Deputy Canton is a brave man and had an important position in Wyoming during President Cleveland's first administration.

FILIBUSTERS LEAVE PORT

Steamers Dauntless and Three Friends Watched By Government Cruisers.

Jacksonville, Fla., Nov. 8.—The steamer Dauntless, seized by the collector of customs at Fernandina for violating the laws by not carrying sufficient number of lifeboats, has, it is alleged, gone to Brunswick, Ga., to engage in the towing business.

The government officials are suspicious of the alleged filibuster and yesterday, as soon as the revenue cutter Colfax arrived here in charge of Capt. Herring, the cutter Boutwell at once took on coal and started in pursuit of the Dauntless.

In an hour after the Boutwell crossed the bar the Dauntless steamer Three Friends left its dock and crossed the bar after dark. It had on board three weeks' supply.

The Three Friends was closely followed by the steamer Kate Spencer, which has several times carried out cargoes of arms and ammunition to the former vessel.

The United States cruiser Raleigh has been ordered from Key West to the St. Johns-bar to watch filibustering expeditions.

OFFICE SEEKERS AT HAND

President-elect McKinley besieged With Applications.

FROM LABORERS TO CHIEFS

Heading Letters Also Pouring Into Canton—Appeals From Churches, Wagonloads of Flowers Sent to the Invalid—Congratulatory Telegrams From All Sections.

Canton, Ohio, Nov. 8.—Major McKinley is rapidly recovering from the effects of the mental strain and arduous labors of the campaign and this evening expressed himself as being fully rested. He is in excellent health and spirits.

The President-elect spent a very quiet day. He took a short walk early in the morning attended church as usual, and in the afternoon went for a drive. The battery of the day Major McKinley passed in his library.

Among those who called were Charles C. Dawes, member of the executive committee of the national Republican committee; Ferdinand W. Peck, and Alexander Reibel of Chicago, Capt. A. T. Wimbury of New York, and Congressman Francis H. Wilson of Brooklyn, N. Y.

The determination of Major McKinley to remain in Canton until the middle of December on account of the feeble condition of his wife, may keep the storm cloud of political interest central over Canton for some days longer.

The campaign of the day Major McKinley has changed a good deal since his election. During the campaign when the railways made low fares hundreds and thousands of people from the lowly walks of life came to Canton. Now the visitors are largely of the political, orophoning or office-seeking classes.

Some of the callers of the McKinley residence are old friends and others are persons who have been asked to come. Every good office is cordially received. Major McKinley has the time to see him at all. Applications for official place are beginning to come in by mail in large numbers, and the McKinley family is busy with the correspondence.

Flowers for the invalid. Flowers in unlimited quantities continue to reach Mrs. McKinley. Every room in the house is filled with them and the supply was so large yesterday afternoon that a wagon was loaded with flowers and the patients in the hospital.

Mrs. McKinley is deluged with begging letters. One woman who wrote recently wanted to see the President-elect and a girl asked for enough to buy a bridal robe. A score of churches and religious societies have sent plaintive appeals. Some letters requesting financial aid and by persons in distress are accompanied by such eloquent observations as this: "If you don't respond within twenty-four hours you will probably hear of my death."

Among the many letters and telegrams received by the President-elect today, were the following: "Western Union telegraph force, Canton, Ohio: We have received a very telegraphic message from the President-elect and very best wishes."

Mrs. J. Ellen Foster, Chicago: "Hallelujah! Amen!"

R. K. Conrad, Chairman State committee, Carson, Nev.: "The few Republicans of Nevada extend sincere thanks and hearty congratulations to our gallant leader and the Republic of the great West for having saved us from disaster, repudiation, and the perilsousness of our day."

Joseph W. Pomfret, Covington, Ky.: "I am the editor of the extra, and only one paper in this county supporting William J. Bryan. I am a Republican and I desire, before picking up my grip for passage up Salt River on the steamer Governor Alford, Joe Blackbird, to express my warmest wishes for your success in the Presidency. Believing that you will be the President of the whole people, I move to make your election unanimous."

CONGRATULATED BY OLD SOLDIERS. Hon. George C. Perkins, San Francisco, Cal.: "I congratulate you upon your magnificent victory, assuring prosperity to your common country, California. I am glad to say, joins the Republican club."

J. C. Murphy, president Louisiana Sugar Exchange, New Orleans: "We beg to tender our hearty good wishes for the great victory which you have won. We are proud and none more than we who are connected with the home production of sugar."

W. P. Hafford, Loyal Legion Recorder, Washington, D. C.: "Accept the congratulations of the commandery of the District of Columbia Military Order of the Loyal Legion of the United States that again a companion of the order, the fifth since its institution in 1855, and the third whose membership has increased through the commandery, instituted in 1872, has been elected President of the United States."

Hon. G. K. Billman, Republican candidate for Governor, Nashville, Tenn.: "I congratulate you and the country on your election. We carried this State, but are being carried out."

Hon. C. K. Davis, United States Senator, St. Paul, Minn.: "I congratulate you upon your election. It has confirmed our financial policy, the policy of the people, and the national stability. Minnesota has not been doubtful at any time. With Vermont, it enjoys the singular distinction of being the only State that never went Democratic."

Mrs. Davis joins in congratulations and compliments to Mrs. McKinley.

TO REMOVE THE MAYOR.

Old Fight Among Municipal Authorities of Louisville Revived.

Louisville, Nov. 8.—Six members of the board of education, Messrs. King, Trask, Britt, Leatherman, Jene and Brewer, are said to be preparing to bring suit to remove from office the mayor, George D. Todd, a Republican, who was re-elected Tuesday.

The aldermen are all members of the A. P. A. and were on Todd's side during the recent impeachment proceedings against the board of safety, but they are not out of the fight.

The affidavit of Sterling Edmunds that Mayor Todd promised him the city clerk's nomination and agreed to give him \$2,000 to make the race, and that he did receive an advance check for \$100 from the mayor to seal the bargain, will be used as evidence.

MARRIED AT CLEVELAND

Robert Douglass, of This City, Weds Miss Belita Anderson.

(Special to The Times.) Cleveland, Ohio, Nov. 8.—Mr. Robert Douglass of Washington, D. C., was married to Miss Belita Anderson of this place today.

The wedding, which was a pretty home affair, was solemnized by Rev. A. G. Upham of the First Baptist church, at No. 788 E. 12th street.

The groom is teller of the Capitol Savings Bank at Washington, and the bride was for some years a clerk in one of the government departments.

SENATOR ALDRICH TALKS

Possible That Silver Senators May Accept St. Louis Platform.

Providence, R. I., Nov. 8.—In an interview last evening Senator Nelson W. Aldrich gave it as his opinion that the standing of the two leading parties in the next Senate would be very close.

It is expected that President-elect McKinley will call a special session of Congress to consider the revenue question soon after inauguration. The Senator figures that at the present time only two States are doubtful, North Carolina and South Dakota. In the former the legislature is fusion, Republican and Populist, and in the latter the Populists claim a majority.

As matters stand the financial forces are evenly divided in the Senate forty-four gold and the same number silver. These figures are likely to change, however, for it is possible that some silver Republicans may accept the verdict of the election and accept the St. Louis platform.

Until the exact status of the Senate is decided Senator Aldrich will not state his opinion concerning the future course the party is likely to take in the matter of revenue legislation.

SCHOONER WENT TO PIECES

Six Men Drowned Off Muskegon Michigan.

Captain Was Drunk and Refused to Allow the Crew to Signal for Assistance.

Muskegon, Mich., Nov. 8.—The schooner Waukegan was wrecked off this port early this morning and six lives were lost. But one man, a crew of seven, commanded by a drunken captain, reached shore. Two bottles have been recovered.

At break of day the lookout man at the life-saving station here thought he saw something move on a dark object which lay about half a mile off the harbor. It proved to be the wreck of a vessel. In the hope that something might be alive on the wreck Capt. Wood went out with his life-saving crew, and to his great surprise found a sailor clinging to an improvised raft.

The man was able to wave to the life savers as they came up and more dead men were taken to the shore. This evening he was able to talk and he gave a graphic description of the tragedy.

He said his name was Frank Delach, that he left Ludington Friday and almost immediately the captain began drinking. He and his companions, a sailor of the name of Fred and the mate. Soon the three were deeply intoxicated and they continued to drink until the boat began to leak.

The sea increased and the men begged the captain to leave the boat, but he refused. When they came in sight of Muskegon the master did not know where he was and he said he was a sailor from the Waukegan and a sailor from the Waukegan.
